

PROMOTION POLICY FOR CBSE STREAM

For KG to Class 5

Schools are not permitted to retain students in these classes according to CBSE stipulations. However if a student is found struggling with the curriculum and consistently does not show any improvement at all, it is advisable to hold personal meetings with the parents to counsel them about their child. The sole objective of the first counselling session, which should take place after the first semester, is to give the child an opportunity to work harder to perform better. After regular monitoring of the performance of such children, the counselling should be repeated in February. In case the child scores below D in more than half of the subjects, it is indicative of the fact that the child will not be able to cope with the rigors of the next class. The parents are expected to make a written request to the school to retain the child in the existing class

For Classes 6 to 9

In order to provide sufficient scope and space for different abilities of different students in the scheme of Continuous and Comprehensive Evaluation, number of significant co-scholastic areas has been included in the assessment scheme. As far as overall assessment of a student for the purpose of promotion to next class is concerned, the following points will be adhered to:

- Every student is required to get a qualifying grade D or above in all the subjects in the Scholastic Area
- A student getting E1 or E2 grade in scholastic areas in one or more subjects will have to improve his/her performance in one subsequent attempt to obtain qualifying Grade D in these subjects.
- 85% attendance is imperative.

For Classes 10 to 12

- Promotion is granted on the basis of the performance of the pupil during the entire session.
